FULL-COLOR RENDERING OF YOUR WORK MUST BE ATTACHED OR EMAILED SEPARATELY!

Low resolution cell phone photos are NOT acceptable for your rendering. Knowing how to submit art renderings is part of the contest. Photograph your work professionally, in good lighting, or, even better, scan it with a printer/scanner, then attach or send it according to our rules. If you must submit a cell phone photo, please make sure the image is squared up, well-lit and that the colors are accurate to your work. Poor quality photos that cannot be printed out full size will be rejected! No exceptions.
